SUPPORTING STUDENT SUCCESS

April 2010

Dear Administrators and Educators:

The Indiana Department of Education and Lincoln Amphitheatre are working together to help educate the Indiana's students and to increase the awareness of Abraham Lincoln's boyhood home. Lincoln spent his formative years here, from the ages of 7-21. He developed his love for education and learning in the woods of the Indiana frontier.

In honor of Lincoln's time in Indiana, Lincoln Amphitheatre presents a bookmark to the students who participated in 4<sup>th</sup> grade Indiana History during the 2009-10 school year. With the coupon clipping at the bottom of the bookmark, students will receive a free ticket to a performance of "LINCOLN: Upon the Altar of Freedom" with the purchase of an Adult Ticket.

Performed in a 1,500-seat, roofed amphitheatre on the very grounds Abraham Lincoln grew up, LINCOLN will let audiences witness the deep, emotional role his boyhood experiences played in shaping the man who became America's 16th president.

Lincoln Amphitheatre offers a "Lincoln experience" by providing pre-show activities for children and adults, an optional meal, and theatre under the stars. Enhanced by multi-media projections and period music, the production of LINCOLN will give theatre-goers an insight into the life of the man whose legacy continues to impact the future. Did Lincoln truly complete his quest here on earth? Find out - this summer - at LINCOLN.

Sincerely,

Dr. Tony Bennett  
Superintendent of Public Instruction
